

Convention on  
Biological Diversity

## Regional Workshop for the Pacific Region on Updating and Revising NBSAPs

### Workshop Objectives

CBD Secretariat  
6 - 9 August 2012

# Einstein Test

The following is a short test developed by psychologists to test IQ.

Please keep the paper face down until you are told it is ok to turn it over.

This duration of this test is 1 minute (60 seconds).

CBD

## Self-Introductions & workshop expectations

You have been provided with 2 pieces of paper.

Note your expectations on the paper – 1 expectation per piece. Please do not note generic expectations – try to be specific.

Place your expectations in the box.

When it is your turn, state your name, country and organisation and then select one piece of paper and read out the expectations written there.

If an expectation being read out coincides with one you wrote down please stand.

## Workshop Objectives

- 1) Facilitate national implementation of SP by assisting Parties to develop national biodiversity targets
- 2) Assist in reviewing, updating, revising and implementing NBSAPs, to serve especially as an effective tool for mainstreaming biodiversity into broader national policies
- 3) Facilitate active learning opportunities and peer-to-peer exchanges for National Focal Points and persons in charge of implementing and revising NBSAPs.

CBD

## Expected Outcomes

- 1) Adoption of national targets in line with the Strategic Plan by 2012;
- 2) A new generation of updated and revised NBSAPs, adopted as policy instruments and fully integrated into national planning processes by 2014;
- 3) Effective sharing of knowledge, practices and technologies in support of the implementation of the Convention.
