

USING NBSAPS TO MOBILIZE FINANCING FOR IMPLEMENTATION

- A clear national vision of priorities is
 - I. Attractive to international donors
 - II. Needed to align and coordinate cooperation (based on recipient priorities)
- Paris Declaration on Aid Effectiveness calls for
 - I. Recipient ownership
 - II. Donor alignment
 - III. Harmonisation among different funds and donors (based on recipient priorities)

See www.cbd.int/lifeweb/roundtables for more information

MANDATE TO HOST FINANCING ROUNDTABLES TO STRENGTHEN IMPLEMENTATION

Decision X/31(11-12):

Encourages donors and Parties to hold sub-regional and national donor **roundtable meetings to support mobilization of funding** based on NBSAPs and action plans for implementing the programme of work on protected areas, in collaboration with the CBD LifeWeb Initiative; and

Urges donors and countries in a position to do so **to support these funding needs**, taking into account the Paris Declaration on Aid Effectiveness.

See www.cbd.int/lifeweb/roundtables for more information

EXAMPLES OF USING NATIONAL PRIORITISATION TO MOBILIZE AND COORDINATE FINANCING

Colombia

- 12 donor partners
- Fully integrated in international dev't cooperation processes
- US\$30 million committed
- Suite of innovative & traditional financing; domestic & international sources

West Africa

- Initiated at COP10
- Leadership of Ministers of Environment from 7 countries
- Focus on protected areas and sustainable fisheries

Mexico

- 24 national and international donor partners (public & private)
- Entering into phase II to identify suite of innovative and traditional financing mechanisms

See www.cbd.int/lifeweb/roundtables for more information

COLOMBIA'S FINANCING ROUNDTABLE

Government of Colombia Participants:

 Authority for the Protected Areas system

**Other donor
participants**

**Technical
support**

\$15M	\$1.5M	€7M	€2.5M	€15M
				
Donor commitments to date (process is ongoing)				

SUGGESTED 'READINESS FACTORS' FOR HOSTING FINANCING ROUND TABLES

1. Clearly-defined vision of priorities
2. Political will of host governments
3. Expression of Interest submitted to the CBD LifeWeb
4. Potential donor interest
5. Relevance to the national agenda for international development cooperation

See www.cbd.int/lifeweb/roundtables for more information
