

*Please provide the following details on the origin of this report.*

**Protected areas**

Contracting Party	Republic of Tajikistan
<b>National Focal Point</b>	<b>Neimatullo Safarov</b>
<i>Full name of the institution:</i>	National Biodiversity Center
Name and title of contact officer:	Dr. Neimatullo Safarov
<i>Mailing address:</i>	44 Aini ave., Dushanbe, 734025, Tajikistan
<i>Telephone:</i>	(992 372) 21-89-78
<i>Fax:</i>	(992 372) 21-89-78
<i>E-mail:</i>	NSafarov@biodiv.tojikiston.com
<b>Contact officer for national report (if different)</b>	
Name and title of contact officer:	<b>Anastasia Idrisova</b>
<i>Mailing address:</i>	44 Aini ave., Dushanbe, 734025, Republic of Tajikistan
<i>Telephone:</i>	(992 372) 21-89-78
<i>Fax:</i>	(992 372) 21-89-78
<i>E-mail:</i>	Aldrisova@biodiv.tojikiston.com
<b>Submission</b>	
<i>Signature of officer responsible for submitting national report:</i>	
<i>Date of submission:</i>	06.03.03

*Please provide summary information on the process by which this report has been prepared, including information on the types of stakeholders who have been actively involved in its preparation and on material which was used as a basis for the report*

In the process of the report preparation such materials were used: materials of scientific centers – Academy of Sciences, Ministry for Nature Protection, State Committee for Land Use, State Forest Production Enterprise, reserves, national parks, Ministry for agriculture, published material of different institutions, independent authors, and mainly database of National Biodiversity Center.

*Protected areas*

*System of protected areas*

1. What is the relative priority afforded to development and implementation of a national system of protected areas in the context of other obligations arising from the Convention and COP Decisions?	
<b>a) High</b>	<b>b) Medium</b>
2. Is there a systematic planning process for development and implementation of a national system of protected areas?	
a) no	
b) in early stages of development	
c) in advanced stages of development	
<b>d) yes</b> (please provide copies of relevant documents describing the process)	National Strategy and Action Plan, State Environmental Programs
3. Is there an assessment of the extent to which the existing network of protected areas covers all areas that are identified as being important for the conservation of biological diversity?	
a) no	
<b>b) an assessment is being planned for</b>	
c) an assessment is being undertaken	
d) yes (please provide copies of the assessments made)	

*Regulatory framework*

4. Is there a policy framework and/or enabling legislation in place for the establishment and management of protected areas?	
a) no	
b) in early stages of development	
c) in advanced stages of development	
<b>d) yes (please provide copies of relevant documents)</b>	
5. Have guidelines, criteria and targets been adopted to support selection, establishment and management of protected areas?	
a) no	
b) in early stages of development	
c) in advanced stages of development	
<b>d) yes (please provide copies of guidelines, criteria and targets)</b>	

6. Does the management of protected areas involve the use of incentive measures, for instance, of entrance fees for park visitors, or of benefit-sharing arrangements with adjacent communities and other relevant stakeholders?	
a) no	
b) yes, incentive measures implemented for some protected areas (please provide some examples)	
c) yes, incentive measures implemented for all protected areas (please provide some examples)	

**Management approach**

7. Have the principal threats to protected areas and the biodiversity that they contain been assessed, so that programmes can be put in place to deal with the threats, their effects and to influence the key drivers?	
a) no	
<b>b) an assessment is being planned for</b>	
c) an assessment is in process	
d) yes, an assessment has been completed	
e) programmes and policies to deal with threats are in place (please provide basic information on threats and actions taken)	
8. Are protected areas established and managed in the context of the wider region in which they are located, taking account of and contributing to other sectoral strategies?	
a) no	
b) yes, in some areas	
c) yes, in all areas (please provide details)	
9. Do protected areas vary in their nature, meeting a range of different management objectives and/or being operated through differing management regimes?	
a) no, most areas are established for similar objectives and are under similar management regimes	
b) many areas have similar objectives/management regimes, but there are also some exceptions	
<b>c) yes, protected areas vary in nature (please provide details)</b>	<b>Conservation of rare and endangered species, organization of tourism and resorts</b>
10. Is there wide stakeholder involvement in the establishment and management of protected areas?	
a) no	
<b>b) with some, but not all protected areas</b>	
c) yes, always (please provide details of experience)	
11. Do protected areas established and managed by non-government bodies, citizen groups, private sector and individuals exist in your country, and are they recognized in any formal manner?	
a) no, they do not exist	
b) yes, they exist, however are not formally recognized	
<b>c) yes, they exist and are formally recognized (please provide further information)</b>	<b>Private mini-reserve "Sazoda", according to Government Statement</b>

**Available resources**

12. Are the human, institutional and financial resources available adequate for full implementation of the protected areas network, including for management of individual protected areas?	
a) <b>no, they are severely limiting (please provide basic information on needs and shortfalls)</b>	<b>Financial resources are not available, lack of experts, researchers, weak security system, etc.</b>
b) no, they are limiting (please provide basic information on needs and shortfalls)	
c) Available resources are adequate (please provide basic information on needs and shortfalls)	
d) yes, good resources are available	
13. Has your country requested/received financial assistance from the Global Environment Facility or other international sources for establishment/management of protected areas?	
a) no	
b) funding has been requested, but not received	
<b>c) funding is currently being requested</b>	
d) yes, funding has been received (please provide copies of appropriate documents)	

**Assessment**

14. Have constraints to implementation and management of an adequate system of protected areas been assessed, so that actions can be initiated to deal with these constraints?	
a) no	
<b>b) yes, constraints have been assessed (please provide further information)</b>	<b>Interdepartmental barrier, use of protected areas for economic needs</b>
c) yes, actions to deal with constraints are in place (please provide further information)	
15. Is a programme in place or in development to regularly assess the effectiveness of protected areas management and to act on this information?	
<b>a) no</b>	
b) yes, a programme is under development (please provide further information)	
c) yes, a programme is in place (please provide further information)	
16. Has any assessment been made of the value of the material and non-material benefits and services that protected areas provide?	
<b>a) no</b>	<b>It is important to develop a project</b>
b) an assessment is planned	
c) an assessment is in process	
d) yes, an assessment has been made (please provide further information)	

**Regional and international cooperation**

17. Is your country collaborating/communicating with neighbouring countries in the establishment and/or management of transboundary protected areas?	
a) no	
b) yes (please provide details)	
18. Are key protected areas professionals in your country members of the IUCN World Commission on Protected Areas, thereby helping to foster the sharing of information and experience?	
a) no	
b) yes	
c) information is not available	
19. Has your country provided information on its protected areas to the UNEP World Conservation Monitoring Centre in order to allow for a scientific assessment of the status of the world's protected areas?	
a) no	
b) yes	
20. If your country has protected areas or other sites recognised or designated under an international convention or programme (including regional conventions and programmes), please provide copies of reports submitted to those programmes or summaries of them.	
21. Do you think that there are some activities on protected areas that your country has significant experience that will be of direct value to other Contracting Parties?	
a) no	
b) yes (please provide details)	<b>In the area of land mastering the valuable tugai forests are conserved</b>

**Further comments**

Because of civil war the state of all protected areas in Tajikistan for the last decade has greatly declined and they partially have lost their self-restoration
