

# Sweden, health and biodiversity

Anki Weibull  
Swedish Environmental Protection  
Agency

# 16 environmental objectives

# Overarching generation goal

***to hand over to the next  
generation a society in which  
the major environmental  
problems in Sweden have  
been solved,  
without increasing environmental and  
health problems outside Sweden's  
borders***

## Generation goal & health

***Human health is subject to a minimum of adverse impacts from factors in the environment,***

***at the same time as the **positive** impact of the environment on human health is promoted.***

# Ecosystem services!
