

64th National Independence Day

Celebrated at **MADRESA HIGHSCHOOL ANAND** as a
BIODIVERSITY DAY

Biodiversity is life. Biodiversity is our life.

Today on 15th August 2010 we celebrated Independence Day as BIODIVERSITY DAY. We arranged the ceremony on the terrace of our school building. The flag stump was decorated by green bushes collected by our students. The flag was beautifully blown along with the balloons. The entire scene was very green and inspiring to aware our selves towards the environmental problems. The cheerful crowd of the enthusiastic pupils was enlightening the ceremony.

The science teacher, **M. M. SHEIKH**, the leader of the ceremony addressed students and guests. He explained the necessity of conservation of biodiversity. Emphasizing the urgent need of growing more trees he asked the students to pledge to grow at least one tree at their home, town or any other place. He told that we proud that INDIA have most of biodiversity in the world. We should care and save it. The principal **M. S. QAZI** also addressed the audience and elaborated the topic of Biodiversity and conservation of it. Mr. **I. R. VORA** (TEACHER OF SOCIAL STUDY) conveyed the vote of thanks to the one and all who remained present and contributed to make the ceremony a great

success. The programme was concluded with the recitation of The national anthem. Mr. Altaf conducted the parade of National Flag Day.
